

LINUX INSTALLATION

Joy!

FROM MEDIA

- Generally one of:
 - DVD
 - CD
 - Floppies? (ack!)

FROM NETWORK

- Useful for multiple installs
 - HTTP
 - FTP
 - NFS
 - SMB
- Requires a bit more setup

KICKSTART FILES

- Answer all of the installation questions
- Flat text file - easy to edit
- Useful for replicating installation preferences on a massive scale.

LET'S INSTALL
LINUX!
